Other Career Highlights

Chair, The Thulin Group LLC

Inge Thulin is a seasoned global business leader with a distinguished career spanning over four decades at 3M, a science-based company renowned for its innovation and sustainability. Inge has a strong background in executive leadership and held various positions within the company during his tenure, including Executive Chair of the Board and President and CEO.

Under Inge's leadership, 3M accelerated investments in research and development, while also elevating the company's brand promise of 3M Science, Applied to Life™. Inge led significant actions to strengthen and focus 3M's portfolio of businesses. 3M consistently ranks among the world's most admired, respected and ethical companies having been named to Ethisphere's list of the World's Most Ethical Companies for six consecutive years.

Inge is currently on the boards of Patricia Industries AB and Advanced Instruments. He is also a Director at Merck & Co Inc.

A native of Sweden, Inge earned degrees in economics and marketing from the University of Gothenburg.
